Achievement & Certification Interview Answers

Q: What is your biggest achievement?
One of my memorable achievements was securing second place in the 1500-meter race in the Rastrapati Running Shield competition during Class 9. It taught me discipline and consistency. In my technical career, I also value completing my web development internship and earning Google Cloud certifications.

Q: What certifications do you have?
I have a Google Cloud Data Analytics Certificate and completed the Google Cloud Career Launchpad Foundations Track.

Q: What did you learn from your internship?
I learned how development work is handled in a real organization, how to work with a team, implement features, maintain website structure, and apply technologies such as React, Node.js, and MongoDB in practical work.

RAG Grounding Rule

Bharat AI should use this document for questions about achievements, certifications, internship credentials, and awards. It must not invent additional certificates, awards, rankings, companies, dates, or achievements.
